

MUSIC CONTRACT

The Barns of Lost Creek works hard to be respectful of our neighbors. Music must be kept at a reasonable level. Please carefully read our guidelines:

- 1) You may park near the ramp to the barn to unload equipment. As soon as you are unloaded, please move your vehicle to the parking lot.
- 2) Smoking is not allowed inside any of the buildings, on the deck, or on the ramp. Cigarette butts must be placed in one of the sand buckets in the smoking areas.
- 3) When using electricity, you agree not to exceed 15 amps on any outlet.
- 4) Amplified music outdoors is allowed during ceremony and social hour only. Please keep social hour music minimally amplified.
- 5) The dining hall has its own sound system and wireless microphone. You may plug in your computer, phone, thumb drive, etc. to play music for dinner, if you like.
- 6) Be mindful that most complaints come due to the loudness of DJs speaking (microphone set too loud), or booming bass. We will work with you as the dance begins to find an acceptable level of volume. Please respect staff requests to lower volume when requested. Volume must be within certain thresholds as set by our operating permit, and your cooperation is appreciated.
- 7) All music service provided the day of the wedding must end no later than 11pm, or at the contracted end time, if earlier. Plan your music accordingly to allow the end of event with a "last dance" coordinating with the 11:00 pm end time- THERE IS NO WIGGLE ROOM HERE- Our Conditional Use Permit states we MUST end music and microphone use by 11pm.

By signing this agreement, you agree to be bound by the conditions listed above, and acknowledge that The Barns of Lost Creek staff and owners have the right to ask you to end early if you are not in compliance. The aim is to have a great event and work together as a team to ensure couples get the music and dance of their dreams, while operating within the bounds set by our permit. We look forward to working with you!
