

PARKING GUIDELINES

We take pride in our farm, and the restoration of this property. It is our home, and we have neighbors. For that reason, we request your cooperation with the following:

1. Renters and their guests must use the driveway on County Road N for easy access to the parking area.
2. Parking is provided and allowed ONLY in the defined, mowed parking area, EXCEPT vehicles with handicap plates- they may park in the designated spots by the silos.
3. Parking in front of the barn is limited to drop-off and pick-up only.
4. No parking on or along the roads.
5. We are happy to valet park any guest not capable of walking the short distance to the barn.

Please contact the Event Manager if you have any questions about the parking guidelines.
