

## **CATERING CONTRACT**

We take pride in our farm and the restoration of this property. This is a privately owned property and a homestead as well. For that purpose, in light of back-to-back events, and to adhere to the conditional use permit detailed by Pierce County, we require your cooperation with the following:

1. The Barns of Lost Creek is NOT equipped with a commercial kitchen. We do have a refrigerator available for leftover food, etc. Water is available inside the barn. We have a covered area with counter space and shelving for your convenience. An event grill is available for rent, should you choose to use it, otherwise, all food needs to come already cooked.
2. The caterer is responsible for cleanup of all cans, bottles, cups, glassware, silverware, plates, linens, etc, that you have provided. All waste must be placed into garbage bins/bags. All recyclables must go into recycling bins. Any food waste can go into our buckets (NO BONES!) to be fed to our pigs.
3. Trash bins need to be emptied when they are  $\frac{3}{4}$  full. The full garbage bags may be tied and set out of the way.
4. The catering area needs to be left in clean condition at the end of the event. Please respect the grounds: pick up all food, spills, papers, utensils, and any other garbage before you leave. The catering area must be left as clean as you found it.
5. No smoking inside any building. Feel free to smoke outside, away from the buildings, but do not use the grounds as your ash tray. Cigarette butts must be placed in a receptacle.
6. Respect our parking guidelines. Arrangements may be made for specialty parking, if having your vehicle close by is necessary. You may unload next to the pavilion, and then move your vehicle to the parking field.
7. All equipment, supplies and rental equipment must be removed from the premises immediately after the event unless special arrangements have been made with the coordinator prior to the event.
